

In cultures all over the world, there is a legend or expectation of a teaching, which will come in the time of tribulation and great strife on earth to unify humanity and bring peace and tranquility.

The great religions of the world also have prophesied such a revelation, which will come and explain the mystery of the universe (God), synthesize the religions of the world, and end the old era so the New Order of the Ages can dawn.

This expectation is **NOW FULFILLED!**

TEACHINGS

As it was mentioned, the teaching expected to come is the **ONE WHICH WILL SYNTHESIZE THE RELIGIONS OF THE WORLD**, will try to unify humanity or save **THOSE WHO HAVE MADE THEMSELVES READY**, and announce and facilitate in bringing the **KINGDOM OF GOD ON EARTH**.

In his teachings, Maitreya explains the creation, which began eons ago, and how the known history of humanity has evolved the last 6,000 years. This history of the last 6,000 years is explained as a **LESSON** for humanity and at the same time, a period of **PREPARATION** for the conjunction, which we have now reached.

It also explains how **SEVEN TRUTHS** have been revealed to humanity in this same time period. Each of these truths has been presented to humanity as **ONE OR MORE RELIGIONS**. The first five of these truths have formed the mystical understanding of the five great religions of the world, namely, Far East religions (Hinduism, Buddhism, and any other mystical teaching on earth), Judaism, Christianity, Islam and The Baha'i Faith.

Maitreya explains that, although many basic truths are shared with all of them, each of these seven religions have **ONE SINGLE OUTSTANDING MESSAGE**, which when realized and combined with the six messages from the other truths, a great **SPIRITUAL PATH** will be revealed, and if followed, human liberation is **GUARANTEED!**

This path is called the "**Eternal Divine Path**." In his teachings, Maitreya not only reveals a practical path to liberation, but also explains that each religion of the world has made a specific contribution to the greater truth and will realize completeness only when combined with other great religions. He teaches that, not only are great religions of the world not contradictory but actually are **COMPLEMENTARY**.

With these new teachings, a great path (Eternal Divine Path) is revealed, and by accepting this path, humanity can be united and so benefit from all the revelations from God. So this will result in the **UNIFICATION OF ALL**.

Maitreya also explains the reason for differences in some points between these religions. These differences occur because of the **PEOPLE** to whom the revelations have been revealed, the influence of the **PERSONALITY**

of the Prophet, the misunderstanding of the **FOLLOWERS** of the Prophet, or the **DOGMATIC IDEAS** created by the followers.

If these discrepancies are put away and the Eternal Divine Path is followed, and if **THE ESSENCE** of the teaching of Maitreya is understood, then humanity will be unified.

Besides these basic teachings, Maitreya also explains how many prophecies have been **FULFILLED** up to this point of human history. He identifies the source of **SUFFERING OF HUMANITY** (individually and/or collectively) and gives **THE CURE**.

THE GREATEST SIGN

These teachings evolve around a Sign (Mandala, Yantra, etc.), which is called **THE GREATEST SIGN**. **The Greatest Sign** contains seven sub-signs, which cover **ALL THE GREAT RELIGIONS** of the world and also show **THE SEVEN STEPS** of the spiritual achievement, the **Eternal Divine Path**, to the ultimate Goal of life.

Although his teachings cover many truths, explain creation and history, and reveal a new message to humanity, the essence of his teaching (Eternal Divine Path) is crystallized in **THIS SIGN**. This teaching can be contemplated, understood and realized through **The Greatest Sign**.

THE TEMPLE

The shape of **The Greatest Sign** will be built as **THE TEMPLE**. Each of the seven sub-signs (symbols of the religions of the world) will be an entrance to the temple. **A GREAT LIBRARY OF BOOKS** related to all the religions of the world will surround the center of the temple. This temple will be another symbol **TO UNIFY ALL**.

Universities teaching **THE NEW SCIENCES** (also other necessary topics) can be built around these temples. The science of the Golden Age will be based on the understanding of the deeper levels of the universe through **SPIRITUAL SCIENCE** (Science Based On Spirit*).

THE WORD ॐ (THE DIVINE NAME)

Maitreya also reveals the true pronunciation of the sacred name of the Lord (Father) **יְהוָה** and His son **יְהוֹשֻׁעַ** in four initiations. These names can neither be pronounced nor written in the material world. When they merge **INTO ONE** (the Son and the Father become One), it is called **THE WORD (ॐ)**, "...but speak the word only, and my servant shall be healed." (Matthew 8:8).

*Science Based On Spirit: refers to any scientific explanation of universal formation based on spirit, which will be manifested and used in the future for the benefit of humanity. These discoveries will not have any of the side effects (such as pollution) of conventional science which humanity is familiar with in this three dimensional world.

REVELATION OF THE SEVEN SEALS

In his teachings, Maitreya explains that all these seven truths, which also are revealed in **The Greatest Sign**, have been **PROPHESIED SCRIPTUALLY** to come as different religions of the world. In this regard the book Revelation Of The Revelation (a revelation of the meaning of the last book of the Bible --The Revelation) is most helpful.

In this book, the symbols of the seven churches, seven seals and seven angels are repeated again and again. In addition **TO OTHER MEANINGS**, these are shown to symbolize **THE SEVEN RELIGIONS OF THE WORLD** and cover all the truths needed to reach the highest spiritual progress. They are the seven steps in the **Eternal Divine Path** and **The Greatest Sign**.

These mysteries which are revealed by Maitreya, however, would be **SEALED** and not revealed until the time of **THE SEVENTH ANGEL**:

"But in the days of the voice of the seventh angel... the mystery of God should be finished..."

(Rev. 10:7)

As it is said, there are seven steps and truths (religions), which are covered in Maitreya's teachings and **The Greatest Sign**. The Prophet of each of them is called **AN ANGEL**. The teaching of Maitreya is the **SEVENTH ONE** and until this seventh angel comes, God and His work (Plan) will remain **A MYSTERY** (at least for the human)!

The revelation or opening of the **SEVEN SEALS** is another prophecy as a sign for knowing the **EXPECTED ONE**.

NETWORKING

Not only will Maitreya and his teaching unify humanity, but it is **THE SIGN** of the coming of **THE NEW ORDER OF THE AGES**. In the Age to come, science and spirit will be combined. As it was mentioned, these new kinds of scientific discoveries (Science Based On Spirit) should be encouraged.

Therefore a **GREAT** preparation in this level also is necessary so the new discoveries and scientific pursuance would be coordinated and prosper.

Maitreya will work with other chosen ones (Elects, the collective Messiah) in this regard, so humanity will achieve the highest standard of living, and many other **UNCOUNTABLE BENEFITS**. In this regard a **GREAT NETWORKING** between pioneers should be provided.

LITERATURE

The main book written by Maitreya, which explains his message in detail has been written in **EIGHTEEN BOOKS** plus a **GLOSSARY** with an explanation of the terminology used in these books. These books contain the basic teachings of Maitreya.

ALL OF THESE BOOKS ARE PUT TOGETHER IN ONE BOOK. It is called **The Holiest Of The Holies (THOTH)**, because it contains explanations of **MOST OF THE HOLY BOOKS** of the world and unifies them. Also because **The Greatest Sign** contains seven truths (religions) and Maitreya's is the seventh one, and as explained above, in the time of **THIS SEVENTH TRUTH**, "...the mystery of God should be finished..." (Rev. 10:7), it is also called **The Last Testament**. So this new teaching is called **The Holiest Of The Holies (THOTH), The Last Testament**.

The book **The Holiest Of The Holies (THOTH)** is the **SALVATION** for the coming Age. It can be viewed as the revelation for the **SPIRITUAL PROGRESS OF HUMANITY**. The scientific aspect for the Golden Age, which is the **SCIENCE BASED ON SPIRIT**, is included in this revelation and is a part of **THE COMING OF GOD'S KINGDOM**.

For other literature offered by Maitreya, see the website.

SUMMARY

In brief, the objectives of the Mission of Maitreya can be summarized as follows:

1 - World distribution of literature from the Mission is **NOW AVAILABLE**: the book **The Holiest Of The Holies (THOTH)**; also creation of a library for all kinds of spiritual literature.

2 - A new **WORLD** education program, including networking spiritually realized teachers, volunteers, and visionaries.

3 - And the **MOST IMPORTANT** part of our work: The formation of the **COMMUNITIES OF LIGHT**.

WORD OF CAUTION

If you do not understand all the explanations or terminologies above, do not let it concern you. Accept those which you understand, and if you are of the Light, the rest will also gradually **BE REVEALED** to you. If you have any questions, write and ask us about them.

ATTUNEMENT & TRANSMISSION

Attunement and Transmission is to quiet the mind, and in a meditative mood in the silence of the heart, try to become a **CHANNEL** to transmit love, tranquility, light and all the **QUALITIES OF GOD** into the world. Indeed, when a person be(comes) in tune with God, he would become a channel to transmit His qualities.

Individual attunement can be done anytime, but if done with many people at the same time, it will have greater effect. That is why it is suggested that all who can, tune in together for transmission everyday at 6:00 AM and/or 9:00 PM (their local time). With this, at all

times people will be transmitting somewhere on the earth. As our numbers increase, we will have a greater effect on earth's mentality.

We also have attunement and transmission groups which tune in Saturdays at 6:00 AM and 6:00 PM Albuquerque time (Mountain Standard Time). If you would like to participate in this **POWERFUL SPIRITUAL UPLIFTING**, please tune in at either time whichever is most convenient for you, or tune in at both times.

When attunement is done **COLLECTIVELY** (Collective Meditation) and is directed **TO A CENTER**, a more **FOCUSED** and much **GREATER** effect is created. With this, a **CENTRAL FOCUS** will be generated and the energy can be used for a greater uplifting of Consciousness. Concentration and opening your thought vibrations to Albuquerque is therefore encouraged.

Maitreya also transmits many **MESSAGES** and **REALIZATIONS** at these times (6:00 AM and 6:00 PM until 7:00 MST Saturdays).

LET US BE UNITED (SAMGACCHADVAM)

Let us move together,

Let us sing together,

Let us come to know our minds together,

Let us share, like sages of the past,

That all people together may enjoy the universe,

Unite our intention,

Let our hearts be inseparable,

Our mind is as one mind,

As we, to truly know one another, become One.
