### ANNOUNCING A NEW FORMAT

#### Revelations

**Maitreya** has been letting us (close disciples in the Mission Center) know that there seems to be a new relationship between God and Him. It seems that God is coming through more directly instead of **Maitreya** explaining the Mission. From now on, whenever it is appropriate, the **Revelation** will be Revealed with no **Maitreya** present, something like what Prophet Muhammad was used for. **Maitreya** will be a witness entity and God will be the Teacher!

It seems the first part of the Mission, to this point, was the explanation of what God wanted humanity to know of Creation and History, the EDP, the Goal of Life, etc. Now that this part is done, the Satsang no longer will be as it was before. Now is the time of **Revelation** directly to you. Therefore the monthly sessions no longer are called Satsangs, Conversations, or Calling Elects, but **Revelations**.

These sessions might start with no greetings in the beginning and no goodbyes at the end. The **Revelations** will start in whatever form they will, and will end when they will.

**Maitreya** no longer will take questions in these sessions. The connection will be direct; we will hear God Revealing these **Revelations** directly to you.

Your questions still will be answered by sending them to [questions@maitreya.org](mailto:questions@maitreya.org). Questions sent to this email will be answered directly or indirectly (supervised) by **Maitreya** (there are not many questions left to ask anyway). So from now on there will be no interruptions (for questions, etc.) in these **Revelations**.

Come and hear God directly and a new way for the teachings to be revealed!

## **QUOTES OF THE MONTH**

### **Christ clearly said, "The Father and I are One".**

"Of course, the human mind accepts that as, only Christ is One with God, and you cannot be a part of God if you do not accept that indeed you have the same consciousness as Christ and you can progress, you can overcome, you can get rid of all the dogmas and misunderstandings, your egos, and eventually one day say, 'The Father and I are One'."

"To walk with God is not just to praise Him, have many ceremonies, or talk about Him, but to establish justice, to help the oppressed, and stand for truth." **Maitreya**

## **GLOSSARY WORD OF THE MONTH**

### **PURE CONSCIOUSNESS:**

(Christhood, Christ-Consciousness, Being Divine, State Of Enlightenment): the state in which the power of the three gunas over the consciousness is overcome, and the consciousness in its pure form (pure intuition) beyond the mind (ego) is realized. Then the oneness with God (universe) is complete, and there would be no Maya left.

## **QUESTIONS AND ANSWERS (FROM MAITREYA) RELATING TO THE UNIVERSAL MANTRA MEDITATION**

- Is mantra meditation an exercise for gaining control of the mind?

Answer: No, it is to be(come) One with God.

<http://www.maitreya.org/FILES/Keys/KEYS1.html>

- Why should I read, study or work with **THOTH**?

**Answer: It is not intended to give you the ultimate answer (although in a sense It does by letting you know that there is no ultimate answer), but to break the barriers and open you more to the possibilities, to arouse your curiosity and lead you to meditate, investigate and help you find out the truth about yourself and life. No one person can give the Truth to another. This should be realized that no matter how much we can tell a person about the Truth, if he does not know it within himself, it will not help.**

- **"..we meditate to clarify our minds, to create the Communities Of Light, to learn how to sacrifice, be submissive, become a universalist, and eventually become a Paravipra. Therefore, in our meditation we never can become escapists because we do not teach that you meditate to go to Pure Consciousness. We say, Pure Consciousness comes to you."**

### **FROM HOSANNA IN MISSOURI:**

Sal-OM,

The e Bay listing had 91 hits with two wishing to purchase the Book. I sent them to the web site for the e book or to purchase. This month there were Missionaries from the LDS Church that stopped in, I showed them the site and explained differences between their beliefs and what the Mission states. They also have a copy of The Letter. There is still no action taken on bumper stickers.
