In the new Format of “**Further Clarifications**” with **Maitreya** on the first Saturday of each month, we will be reading the Teachings in half-hour increments. **As we study together, there may be questions for deeper clarification from Maitreya especially while He is still with us. Now is the time to receive those answers and clarifications.** Only the questions and answers will be posted in the FTP for download.

The above links are for the **November 3rd** session. If anyone would like to volunteer to be a reader for **December 1st**, please send an email to: Reader@maitreya.org

QUOTE OF THE MONTH

“The moment you know what is the Will of God and you let God do it through you, who is the doer? Do you exist? You do not exist anymore. Who exists? God exists, and you and God are one.” **MAITREYA** [Read more.....](#)

GLOSSARY WORD OF THE MONTH

<http://www.maitreya.org/FILES/THOTH/glossary.htm/S.html>

Submission: when a person ideates that he and his body are only a **channel** for the Lord to do the **Divine actions** through them.

With this, there will be no "I" left and the person is free from egoistical attachment to the result of his actions because he is not the doer but He is. Then he will be free from any attachment, and that is the key to salvation.

Islam also means "submission" and this ideation of being submissive to the Lord is related to the fourth seal (🌀) in **The Greatest Sign**.

SECOND LIFE (SL) VIRTUAL WORLD PROJECT

This article is a **news blog** from CNN.com about events happening in Second Life. This virtual world format is gaining more and more popularity in many different venues and the potential for Mission outreach is great. Everyone please be sure to see the **Temple** now constructed and be welcome to give feedback.

More properties have been purchased to expand the Mission land and we are looking towards building a Community Center that can host events for Mission activities.

If anyone wishes to help and work with SL and the building of the Temple, please contact the Mission.

CONTACT REPORT FROM TURKEY

Sal-Om M.O.M.

The website is mostly done. We moved to an office in the city center and we now have more people coming in to see what we have to offer and ask questions. We had yoga, meditation classes and some counseling sessions with family members, some friends and relatives with no charge; but we have yet to get our first official guest or customer so that we can say that we now are in business :). It feels like the doors of a huge dam is closed and water is filling in and pretty soon the water will be allowed to go through the turbines and produce energy; but the water has not yet been released and still filling in. God knows the best! Every other day He makes sure there is no doubt He is with us :)

Thanks God for Everything!

M.O.M. ROOM IN PALTALK

We had a lovely Mission Of Maitreya Member meeting this month. You can download and listen to the audio of the meeting [from the website](#).

We look forward to seeing you joining us next month. The next meeting will be on December 21, 2007.

PROJECT NEW JERUSALEM

**This is still an on-going project. It is amazing to see what God is doing
in
Rio Rancho, New Mexico – City of Vision**

- Albuquerque is getting a **new** state of the art water treatment system. Housing continues to grow and hold in the market.
- Rio Rancho, **New** Mexico has surpassed Santa Fe in growth and is number 3 in the state.
- The film industry is huge here with studios now locating in the area. The latest is a shopping mall close by being turned into a **new** film company. (Perhaps a movie about the Mission???)
- Santa Anna Star Center in the **new** city center attracts big names. (Just imagine Satsang with **Maitreya** there!)
- A completely **new** downtown area is being designed with a **new** City Center and surrounding areas will include universities, hospitals, planned communities... (sound familiar?)
- Disasters in the USA and around the world of fires, earthquake, floods, etc. are clues for those who see this Vision to take seriously the warnings of God. God is creating a new environment.
- It makes more and more sense to come where you know the Truth is and be a part of the building of **New** Jerusalem.
- Browse the [Rio Rancho Area Chamber of Commerce](#) for more information.
- Even read the Rio Rancho Observer Newspaper online: <http://observer-online.com/>

FULFILLMENT PROJECT

The Mission is also still looking for actual events or prophecies that any of the religions are expecting to occur to indicate the Messiah is here. If you hear or discover something that is Scriptural and a legitimate prophecy or expectation of the coming of the Christ, please send to: fulfillment@maitreya.org

Sometimes just asking people (especially in this holiday season) about how they expect the Messiah to come can reveal some clues and interesting conversation. Of course many ideas are not based on Scripture and basically are popular myths/dogmas created by man. Be sure to double-check them with Scripture or ask for verses.

Recently in Paltalk someone from a Christian background was asked, "How would she know the Messiah?". The comment back was that she expected Him to be the "Lion of the Tribe of Judah". Evidence of this proof is on the website.

Another Jewish brother listed many items from Old Testament, which the Messiah should fulfill. One by one we showed him the Truth that the expectations were completely fulfilled by **Maitreya** and the Mission.

We do not hold our breath that they instantly see it; but they will never be the same! Thanks God! (Perhaps next lifetime...)

Mt. ZION AND MT. CARMEL PROJECT

This is a new project **Maitreya** has just started. We have been told that many consider the Zion National Park and Mt. Carmel area in Utah to be where the Messiah is supposed to appear. It makes some sense, since if there is New Jerusalem that we have to find (which has already been done), there also might be New Mt. Zion and Mt. Carmel. Although we consider the Hierarchy in our system to be the Mt. Zion, we also believe that there might be an external manifestation of whatever is from Heaven!

So we are interested to know if anyone is familiar with other areas in the world that many people expect the Messiah to appear here at the end time (and/or according to them for the Second Coming, return of Mehdi, Kalki Avatar, etc.). If you know of any place, please send the information you know to:

Mt.Zion@maitreya.org

MAITREYA EXPLAINS THE DIFFERENCE BETWEEN CHRISTMAS AND FEAST OF TABERNACLES

"The more who celebrate the Feast of Tabernacles, the more houses will be decorated during the Feast of Tabernacles, and the more people will celebrate the Feast of Tabernacles all over the world. The more we observe the Passover and the other Holy Days of God, the more we will go beyond our nationality and the tradition, gender, and the things that separate us from each other, and we will become one nation. And that is the Nation of God, the Nation based on all the Scriptures, Revelations, and the unity of all religions and One Spirit."
