In the new Format of "**Further Clarifications**" with **Maitreya** on the first Saturday of each month, we will be reading the Teachings in half-hour increments. As we study together, there may be questions for deeper clarification from **Maitreya** especially while He is still with us. Now is the time to receive those answers and clarifications. Only the questions and answers will be posted in the FTP for download.

The above links are for the **October 6th session**. If anyone would like to volunteer to be a reader for **November 3rd**, please send an email to: Reader@maitreya.org

QUOTE OF THE MONTH

http://www.maitreya.org/FILES/Further Clarifications/2007/09_01_2007_FC.htm

"In this **Mission** we do not completely cut things to black and white. Whenever a religion or a people make things black and white, then they have lost the original Spirit of God and The Holy Ghost. They become rigid and they put a great burden on one another. That society has lost the original flexible Spirit of God within." There are, however, things that are in black and white. Things that affect the society greatly!

GLOSSARY WORD OF THE MONTH

<http://www.maitreya.org/FILES/THOTH/glossary.htm/B.html>

Blind Intellect: intellect without intuition.

It is when an [intellectual](#) sees this manifested world as the only truth and has no realization that this visible universe has come from the unseen. He does not know [God](#) and has no intuitive knowledge of [spirit](#). Such an [intellect](#) is blind and dry like iron. But [intellect](#) with [intuition](#) is precious and flexible like fine gold.

FEAST OF TABERNACLES 2007

This year's Feast was a wonderful experience. All Thanks to God! Our Community Service Day centered on the Mission neighborhood park. Mission members were pulling weeds, trimming bushes and improving the neighborhood for everyone.

Of course, the new gate between the two neighborhoods made for a feeling of openness and cooperation. A more universal feeling was created.

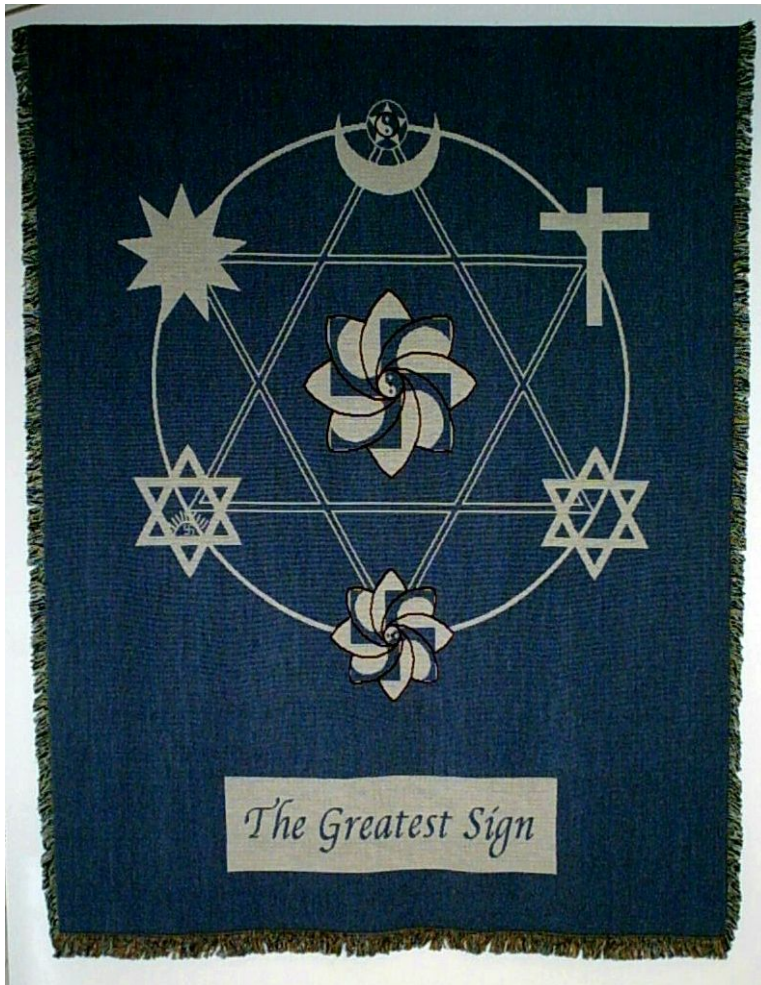

The new Introductory CD was delivered on Sabbath during the Feast as a completion of that project. More details are available in an article on next pages.

Also, many recordings of **THOTH** (Glossary and Revelation of The Revelation) were made in the new Mission Recording Studio and are being posted in the website.

A beautiful woven blanket was made of **The Greatest Sign** and hung in the Mission Center. Anyone can have wall hangings made by giving the JPEG image or **The Greatest Sign** small poster to any Embroidery Shop. All kinds of creative things can be created! There are no limits to the way the Mission can be expressed!

Gathering with Maitreya

Several times this Feast we were in Gathering with **Maitreya**, and also **Maitreya** was available during Paltalk sessions for questions and clarification. Those recordings are available in the FTP. Look in the Feast Folder.

The flag says it all. The only way for Peace to come to humanity is to implement the **Eternal Divine Path**.

Join us in next year's Feast of Tabernacles. Details next!

FEAST OF TABERNACLES 2008
SIXTH SEAL – PARAVIPRAS

The Feast begins at sunset Friday **September 12**, 2008 (Maya 14, 011991 MC), and finishes in the evening of Saturday September **20**, 2008 (Maya 22 011991 MC).

Note: We can only accept **ten (10)** people for the Feast (city ordinance restrictions). So sign up early to be one of those who can attend the Feast. This restriction can only be overcome if many people sign up and we determine that we can rent a place that can accommodate more than ten people. In this case the added expenses have to be shared by everyone. However, in this case, usually, you do not have to pay for hotel, as in such places they have rooms for us to stay in!

If planning to attend the Feast of Tabernacles in New Mexico, please send a confirmation email to: feast@maitreya.org for further information.

PALMS UP!

Recently a question was asked about doing The Reminder mudras: In the Surrendering and Submission poses, are the hands facing up or facing down to the floor? The drawings in the website are simple and perhaps difficult to tell the difference.

As in the standing version of The Reminder, the hands are **UP**. When we surrender or submit, our hands are facing upwards as we are offering ourselves to God.

So, when doing the floor version of The Reminder, as we move into the position of surrender, the palms are facing upwards and the toes curled under. As the movement goes into the position of Submission, the hands stay facing upwards and the toes uncurl and the feet flatten out.

We hope that clarifies those movements. If anyone has questions or needs further clarification, please let us know. We also welcome someone with artistic talent to draw the movements more clearly and send them to us to be posted on the website. (This is the process of perfecting the Mission as the current phase we are in).
