MISSION OF MAITREYA NEWSBRIEF

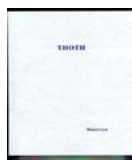

If anyone would like to arrange and host a group of 5 people or more who are sincerely interested to know about the **Mission of Maitreya** and **Eternal Divine Path**, **Maitreya** will speak and take questions from the group through the Internet. Each host themselves must make the arrangements, organize and coordinate with the **Mission** about the details. It would also be helpful if a list of questions from your group members could be sent to the **Mission** a week prior to the Satsang.

Anyone wishing to host such a group please contact: Outreach@maitreya.org

QUOTE OF THE MONTH

What is a success? A successful person is he who reaches Pure Consciousness. That is a success. That success comes by eliminating the subconscious mind. [Satsang with Maitreya 7-10-04](#)

GLOSSARY WORD

Subconscious Mind: stored memories of this lifetime which are accessible to each individual by a little effort from the storage part of the brain, also stored **karmas** of the past lives.

There has been a request from people in Iran that **Maitreya** send them a Message (Payam) in Persian (Farsi, Iranian) language. He complied and now you can hear this **Message (Payam)**, download it (right click and save), make CDs and distribute it and/or download the **MP3** version of it to use in CD players and/or other devices that use this format.

If you are planning on attending the **Feast of Tabernacles** beginning on September 12, 2008, please let the **Mission** know as soon as possible. Menus, schedules and planning are in process now!

Maitreya on TV! If anyone would like a quick link to Hear **Maitreya** and See Him, you can now refer them to a website called: Blip.TV for a video of “Satsang with The **Maitreya**”

Let's search the Internet for other avenues where we can post these kinds of materials for outreach! The video is free to download from the **Mission FTP** and you can post it in many places on the Internet. Please submit any websites, blogs or other posts to the Mission for cross-linking on the **Related Materials** page.

SUGGESTIONS

Any suggestions are welcome that will help to improve spreading the Mission Teachings out to the world! Let us know your creative ideas!

Ritchie, the **Contact in Malaysia**, offered a website where anyone can go to nominate **Maitreya** and the **Mission** for the **TEDPrize**.

“The TED Prize was created as a way of taking the inspiration, ideas and resources that are generated at **TED** and using them to make a difference.”

To nominate **Maitreya** and the **Mission**, we can use this link:

Grassroots efforts such as this could really pay off!

Sing the HOSH Mantra! An idea was to create a chant using the HOSH Mantra with a creative tune, instruments or tech skills. Let's see how diverse we can be! Send the recordings to:

HOSHchant@maitreya.org

Join up! We encourage everyone to become members of our rooms in **Paltalk**.

Also, you can add some links in your website connecting to the **Mission** main [website](#). This will bring a greater exposure to the **Mission** and our teachings. It will also improve our rating in the search engines such as Google, Microsoft, Yahoo, etc.

We already have many of our members maintaining their own [websites](#) and connecting their websites to the main **Mission** website (and Vice Versa).
