QUOTE OF THE MONTH

“... it should be noticed that in the Surah ‘(Ornaments of Gold (Az-Zukhruf)’ it is clearly mentioned that ‘It’ (the Koran) is an (‘essential part of the’ Akashic Records (‘Eternal Tablet’)) but not all of it.” [Readings, The Koran, Tablet 1:15-16.]

GLOSSARY WORD

Akashic Records: (Book of Remembrance, Source of Decrees, in Islam: Eternal Tablet): the cosmic records of creation and history; the memory of the Universal Mind; the records kept of all events in the past and what is happening or will happen in the universe.

It is through these records that God (through His Prophets) corrects or advances the old revelations. Because of these records, even if humans change the Scriptures, God will reveal the truth to those who are chosen to know. Or those who are sincere will have access to these records as a revelation, by His Grace. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." (Matthew 7:7).

This month has been the quietest month for the center since I start working here. I only have two people coming in. So I used this opportunity to improve things, ATTG.

One thing I realized a little more deeply this month is that, all thanks to God, all can read about the **Eternal Divine Path** and how to follow it with a couple of clicks through the website, and how amazing is this!

With this guidance all can work on awakening their spiritual forces, use the energy that is gained to help in establishing the **Communities of Light** as much as possible, sacrifice for this ideal, surrender and submit the result to God, shatter all narrowness of the mind, and become a universalist. Eventually all are given the way to become, literally, a dynamic spiritual force and become an Elect who can reach Pure Consciousness and also help many to do the same.

It is like preparing for a final exam and right before the test, the Teacher gives you the solutions to the questions that He is going to ask in the test. How much better can it get!

Unfortunately though, not all are aware of the **Eternal Divine Path** and even many of those who are aware cannot see the light it sheds on all aspects of life or have a hard time to follow its steps.

The students keep complaining about the test; most of them are not aware that the Teacher has given out the solutions for the questions for study; some of them don't think these are the solutions to the questions that are going to be on the final exam without even studying them, and some of them, though realizing these are the solutions for the questions, find it hard to study them and learn them in and out before the test.

But in fact God, besides giving the solutions to the questions, set out the best example for all to rid themselves of their doubt on the validity of the solutions, how to study and learn them, and apply these solutions even to different questions. **Maitreya** and His life and the past 30 years of His **Mission** are this examples.

How He became **Maitreya** is amazing by itself, and I think even more amazing is the journey of **Maitreya** and the Mission after that because I think the story of these past 30 years is the real example of how to

follow the **Eternal Divine Path**, how wonderfully it works, and also why **Maitreya** is the Compassionate One.

The Compassion, the corrective Love, the wisdom, the patience, the sincerity, the discipline, the courage, the motivation, the honesty, the truthfulness, the brilliance, the bliss, the unity **Maitreya** demonstrated and still continues to demonstrate should leave no doubt that **Maitreya** and God are One, and He is the Anointed One, the Christ.

Through Him all can see how God is in complete control of the three gunas and how He uses the universal mind towards fulfilling the purpose of this life. To see an example of this, all we need to do is to listen or watch any of the countless Satsangs **Maitreya** has given; how amazing that is!

I will do my best in sharing this with the rest of the universe (maybe an article to start with, "**Maitreya, The Thief of the Night**" :)), follow **Maitreya's** example in following the **Eternal Divine Path**, and help many to be(come) connected to Him so that He can connect them to God.

Thanks God for Everything!

A Prophecy

He will sit as a refiner and purifier of silver. (Malachi 3:3)

This verse puzzled some women in a Bible study group -- they wondered what this statement meant about the character and nature of God. One of the women offered to find out the process of refining silver and get back to the group at the next Bible Study.

That week, the woman called a silversmith and made an appointment to watch him at work. She didn't mention anything about the reason for her interest beyond her curiosity about the process of refining silver.

As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to hold the silver in the middle of the fire where the flames were hottest as to burn away all the impurities.

The woman thought about God holding us in such a hot spot, and then she thought again about the verse that says: "He sits as a refiner and purifier of silver." She asked the silversmith if it was true that he had to sit there in front of the fire the whole time the silver was being refined. The man answered that yes, he not only had to sit there holding the silver, but he had to keep his eyes on the silver the entire time it was in the fire. If the silver was left a moment too long in the flames, it would be destroyed.

The woman was silent for a moment. Then she asked the silversmith, "How do you know when the silver is fully refined?" He smiled at her and answered,

"Oh, that's easy - when I see my image in it."

All Thanks to God,

Mandala

What is that purifying fire?
