[Divine System](#) [\(A System from Divines, by Divines,](#) [and for Divines\)](#)

“The world seems to be mostly divided into two camps: Those who promote democracy and those who are under dictators. Each of them claims their system is better. However, both are man-made. In democracy, man chooses his leader, and in dictatorship, the gun does the job.” [Read More...](#)

The new Essay [Subconscious Mind, Revisited](#) is now published in the Mission Website and will be included in the next edition of [THOTH](#).

QUOTE OF THE MONTH

“This Revelation is a work in progress. This Revelation is a Calling to the Elects, those who truly see this Vision and clearly understand that this Revelation is from God.” [Satsang with Maitreya on H8-14-04H HHHH](#)

GLOSSARY WORD OF THE MONTH

[Eternal Divine Path](#): the path to reach [Pure Consciousness](#), which is explained and revealed through [The Greatest Sign](#).

It is to endeavor to awaken the spiritual forces (☺) (Far East Philosophies -- mystical experience), to direct the realization and [energy](#) created by the process of awakening the spiritual forces toward the establishment of the [Kingdom Of Heaven On Earth](#) (✳) (Hebrews), and in order to establish the Kingdom, utmost [sacrifice](#) - not being self-centered, sharing -(✚) ([Christianity](#)) is necessary. However the attachment to the result of one's actions would become a hindrance in his progress so [surrendering](#) and [submission](#) to His Will (☺) ([Islam](#)) is necessary. Then [expansion of the mind](#) or to become a universalist (✳) (Baha'i Faith) is necessary to shatter all [narrowness of the mind](#). After all this progress, when a person becomes a dynamic spiritual force to help the whole universe understand the purpose of their lives and help them to reach [Pure Consciousness](#), such a person becomes an Elect (Paravipra) (✳).

Through these [Paravipras](#), eventually all will reach [Pure Consciousness](#) (✳) and these [Elected Ones](#) also will reach there (✳).

This path, which has been established in eternity by the [Father](#) and First Begotten Son, will lead a person to Divinity. That is why it is called "[Eternal](#)" (because it is established in eternity), "[Divine](#)" (because it leads to Divinity), "[Path](#)" (because it is the way to Divinity).

M.O.M. MEMBERS PALTALK ROOM

The M.O.M. Members Room in Paltalk, Religious Groups/Interfaith Section is coming up soon on the third Friday of the month – **March 21st**. **Hosanna** will be the facilitator and we look forward to great discussions! Mark your calendars and see you there!

You can listen to the last month meeting if you like to have a test of the meeting!

NOTE: The room is **no longer a locked room and all can enter**. Passwords are not necessary. We will monitor guests by keeping the red dots on as someone enters the room unless we know them or we invite them. They are welcome to listen in and also attend the *All Religions Room* at 8:00 pm MST for questions. Perhaps they will be inspired with our casual discussion about the **Mission** Teachings in our lives and would like to know more about us!

PASSOVER

We will be keeping the Holy Day of Passover followed by seven days of the Feast of Unleavened Bread. **All leavened bread and baking yeast are to be removed from your house by the start of Passover.** This is symbolic of removing the influence of the ego (inflating) from our lives and keeping God's Commandments.

The Passover Service will be on the evening of March 19. It will be live in the *All Religions Unified Room* in Paltalk starting at 5:30 PM MST.

After the Service, we will display the HOSH symbol (🌀) on the doors of our houses to show: This house follows the Laws of God and keeps His Holy Days.

Simple Out Reach for the Mission

We will be using the Wednesday meditation sessions, in Paltalk, to outreach to the community around the **Mission Center**. The idea is to find a place that we can invite people (a neutral place in a publicly accessible building).

You can do the same in your area. You can start the outreach around 6:45 PM MST. The first fifteen minutes are used to introduce the **Mission**/yourself, to get to know the audience, talk to people in general, and create a rapport with the audience.

At 7:00 PM everyone listens to (follows) the meditation process broadcast in the meditation room in Paltalk until 7:30 PM. At that time you can share about the Meditation and answer their questions. Also you can share about the **Mission**, the unification of religions, give away free CDs, **Mission** literature, etc. It is a good idea to have some snacks available at this time to create a nice atmosphere for everyone to share.

Of course, you can be creative and use the format to introduce other aspects of the **Mission**, in different times and/or locations. You can start a Yoga class, chant or dance class, study of **THOTH** class, etc.

The reason we chose meditation and Wednesdays was that we have the live meditation class already, at that time, every week. The only thing we had to add was a place to invite others to share it with.

If other people start the meditation classes at other times in Paltalk or some other places similar to Paltalk that it can be broadcast in the Internet all over the world, more outreach like this can be set up!

If you started your outreach like this, or any other ways, let us know. We would like to know what all of you are doing to spread the **Mission** and maybe what you do would appeal to others and they also will start doing the same thing.
