**MISSION OF MAITREYA
NEWSBRIEF**

QUOTE OF THE MONTH

“We are in the confusion, clouds, caught up together here on earth. What happens when the clouds are come and Christ comes in the clouds? The disciples are going to be lifted from the earth to the clouds. It is the same thing here. You should be lifted from the world, out of the clouds, and caught into this teaching and the **Mission**. There is another answer right there. You cannot have both the world and God. So you have to be lifted up out of the earth and those confused worlds.” [Satsang with Maitreya 4-7-01](#)

GLOSSARY WORD

Cloud: symbol for confusion, individually or collectively. Whenever this confusion comes, a Savior is necessary to rescue the earth.

CONTACT REPORTS

Sal-Om M.O.M.

I put most of my energy into creating a seminar and training program to offer both to groups (companies, schools, etc.) and individuals to help them learn right breathing, meditation, yoga, etc. which could help them in their endeavors in all planes.

All thanks to God, God has given me all the necessary tools to create a promising business which could help all in these hard times and also direct all to the **Mission** and God.

This month I was able to give presentations at a school and the Chamber of Commerce at their monthly meeting. They recorded the presentation at the Chamber of Commerce and gave me a copy. I will

send a copy to the **Mission** as well. Even though these are still baby steps, they were good experiences too.

ATTG, I purchased a new laptop in order to use for the translation of the Teachings and also run a room 24/7 in the Turkish section in Paltalk. I also purchased a camcorder to continue producing more videos to advertise the center as well as the **Mission** Outreach.

Thanks God for Everything

SECOND LIFE

SL - The **Mission** will have an island in the upcoming weeks to replace the mainland area held previously. This will allow us to grow easier in acquiring new land so a cyber COL can be formed. As stated previously, we will be offering 'homes for rent' if you desire one. Building such homes is easier and quicker than what you may have experienced yourself. Depending on the style, it can be accomplished in as little as one day. An announcement will be made when the island is available to visit with a description of the layout. Any interested parties that would like to learn more about Second Life, or those who wish to participate, please contact Hosanna for more information. dan4edp@yahoo.com

MOM MEMBERS ROOM

M.O.M. Members room will be **May 16th** on the third Friday of May at **7:00 pm** Mountain Time Zone. **Mandala** will be the facilitator this month. Listen to the [April MOM Room](#).

SUGGESTIONS

Here is a suggestion for the ones who want to do outreach in Paltalk: Just click on the white tab at the top of the main Paltalk window called **ON TODAY**, then you can use a keyword to search people.

I tried < bible > and it gives me lots of people. Other words can be Universalism, Koran and spirituality.

Now, you will have a lots of Paltalk people and you can send a message to almost everyone, unless they are set to < friends only > or are online but busy.

Here is the message I sent:

"Take a look at <http://www.maitreya.org/> and see The Last Revelation from God. The Last Testament is also available on that site."

If you have any good idea for messages, I would like to read them.

Sal-OM everyone, and let's continue that Good (God) Work.

 **Eric** has been running a new Room in Paltalk in the French Category:

The Messiah is on Earth at Religious Groups/Interfaith

 **Another new feature in Paltalk** is showing which room your nickname is in:

Go to: **Actions** on your Pal List.

Click on: "**Change My Status**"

Check: "**show others the room I'm in**".

This allows anyone who has your name in their pal list to see the **Mission** rooms (or any room you are in). One click on your name and they automatically enter that room! Neat!

Hummm,,THE IRONY OF IT ALL

POPE: Recently the visit of the Pope to the USA caused quite a stir. Apologies were made, babies were kissed, dignitaries honored him and adoration was heaped upon this person who is supposed to be the representative of God on earth.

Ummm,,The Christ Himself is here on earth now and this is what we see humanity doing! Hear the discussion in the [April MOM Room](#) about this topic.

MOVIE: A new movie is being filmed right here in New Mexico (also referred to as "Tamalewood") starring Dennis Quaid called: *Legion* It is about the return of Christ. If they only knew how close they are!
