NEWSFLASH

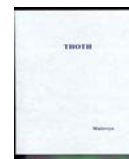

If Seven people gather together: (click)

"On 3/1/2008 (March 1st, 2008 or Adam 1st, 011991 MC) **Maitreya** stopped giving public Satsangs (discourses). However, He will make an exception for those who can gather seven (7) sincere people together and ask **Maitreya** to come and talk to them (give Satsang).

"Exception to this is the Feast OF Tabernacles when **Maitreya**, for a few sessions, will participate in The Paltalk chat room (All Religions Unified - see Feast Schedule for 2008). He also will give nightly Satsangs, in the Feast, **only if more than Seven people are attending the Feast.**"

QUOTE OF THE MONTH

"The Grace of God is always showering us. He has no choice. He is so full of Grace that He loves to give it away. But, who is willing to receive it? That is the real question." Satsang with Maitreya

Sal-OM MOM

Very quiet month. Things slowed down so much that I almost wasn't able to pay the expenses to run the Center. However, God amazingly makes sure I learn from these experiences and then things are paid even if it is right on the last due date. All thanks to God for everything!

I used most of the quiet time to continue working on myself; practicing yoga, meditation, studying, contemplating and applying the teachings, etc.

Other than these, translation of the **Mission** website to Turkish continued (slowly yet surely), sent the "Letter to Humanity" to different groups (for instance some Sufi organizations), a Paltalk room in Turkish in interfaith section started (<http://chat.paltalk.com/g2/group/1109076358/>), and also an essay titled "*Maitreya, The Thief of the Night*" giving a brief summary of the **Mission's** last thirty years was completed (ATTG) and put on the Internet at <http://whoistherealchrist.wikidot.com/maitreya-the-thief-of-the-night> and also at <http://www.maitreya.org/files/Other/Thief%20of%20the%20night.htm>

A new development on leasing a land from the government is that I was informed this week that they would like to lease it to us for three years. Even though this was not an official statement it is highly possible not to lease it for more than three years. I'll wait until I receive an official reply from them and consider things then. I am realizing more and more how things work in this country and adjust accordingly without compromising from the right path. God knows the best.

Thanks God for Everything!

“MAITREYA, THE THIEF OF THE NIGHT”

“In this essay we will explore the history of the **Mission of Maitreya** between the years of 1977, which was the start year of the Revelations, to 2007, which was the end year of the Revelations. This essay has a three-fold purpose; to keep record of the history of the **Mission of Maitreya**, to share the experience of **Maitreya** throughout these years for the generations to come, and to show how God set an example through **Maitreya** and His **Mission** that the **Eternal Divine Path** is embedded to all things in this universe, and when it is followed, it works perfectly...

“It was prophesied that it would take **Maitreya** three reincarnations to fully accomplish His **Mission**. It was also prophesied that in the first reincarnation, which would be mostly educational outreach and setting up His station, **Maitreya** would be The Thief of the Night. He would only be recognized by a small group of disciples even though many would be informed of His Teachings and His Presence. That is exactly how it has happened!...”
